ENVIRONMENTAL FINDINGS

May 30, 2019

1. Find that the Negative Declaration on file with the Department of Planning and Land Use as Environmental Review Number 94-03-002C was adopted in compliance with the California Environmental Quality Act (CEQA) and the State and County CEQA Guidelines and that the Zoning Administrator has reviewed and considered the information contained therein and the Addendum thereto dated May 30, 2019, on file with PDS prior to approving the project; and
2. Find that there are no substantial changes in the project or in the circumstances under which the project is undertaken that involve significant new environmental impacts which were not considered in the previously adopted Negative Declaration dated July 12, 1994, that there is no substantial increase in the severity of previously identified significant effects, and that no new information of substantial importance has become available since the Negative Declaration was adopted as explained in the Environmental Review Update Checklist dated May 30, 2019.
3. Find that the proposed project is consistent with the Resource Protection Ordinance (County Code, section 86.601 et seq.).
4. Find that the groundwater resources are adequate to meet the groundwater demands of the project.
5. Find that plans and documentation have been prepared for the proposed project that demonstrate that the project complies with the Watershed Protection, Stormwater Management, and Discharge Control Ordinance (County Code, section 67.801 et seq.).
